

HBA OF BUCKS/MONTGOMERY 2018

You are cordially invited to join the Professional Women in Building Council (PWB), a strong and diverse network of inspiring building industry professionals who share strategies and solutions to promote, enhance and support professional women in today's home building industry.

Council members hold various occupations such as builders, remodelers, architects, designers, suppliers, marketing experts, financiers and real estate professionals.

Our PWB strives to make a difference in the building industry by encouraging personal and professional growth, promoting educational programs and opportunities, and fostering long-lasting relationships – all while having a lot of fun!

MISSION STATEMENT

The Professional Women in Building Council is a voice of women [and men] in the building industry, dedicated to promoting industry professionalism and supporting our members at the local, state and national levels by offering networking and educational opportunities, legislative awareness and outreach, and professional and personal development.
