Issues a Speaker Must Address:

How will your subject matter apply to our industry? Specifically, how can LeadingAge Gulf States members use this concept? If the concept is foreign, members sometimes have a difficult time determining how to apply it to the adult residential care / assisted living industry / senior living. We need industry-specific examples where possible.

Please forward an outline of your presentation and your bio. Be sure your presentation includes outcomes on what the attendees will learn.

Upon review of your information provided, you will be considered for upcoming Workshops, Webinars, Symposiums, Annual Conference and other Speaking opportunities throughout the year.

To receive any reimbursement fees, you must submit a detailed speakers agreement form prior to the event date and must have written agreement/approval from LeadingAge Gulf States, prior to the date of the event.
